## Property Tax Change 2009 to 2010

The Nebraska Department of Revenue Property Assessment Division received the 2010 Certificates of Taxes Levied Reports from every county assessor. The data indicates that total property taxes, statewide, increased 4% from 2009 to 2010.

	<b>2009</b>	<b>2010</b>	<b>Increase</b>
Total Property Taxes Statewide	\$2.876 billion	\$2.991 billion	\$115 million

The total increase in taxes of \$115 million is attributed, approximately, to the following:

Voter-Approved Bonds	\$11 million (10%)
Newly Constructed Real Property	\$30 million (26%)
Absorbed by Existing Property	\$74 million (64%)

The impact on individual taxpayers varies depending on the budget needs of their local governmental subdivisions and voter-approved bonds. For example, Garden County taxes levied decreased 7.14%, while Valley County taxes levied increased 20.9%. See attached tables.

Real property valuations are determined by county assessors. Property tax rates are set by local governments. Property taxes support schools, counties, cities, community colleges, natural resource districts, fire districts, and other local governmental subdivisions. Property taxes are payable to the county treasurer. The State of Nebraska does not receive any property tax revenue.

As a reminder, all property taxes are due December 31 with delinquent dates as follows:

<b>Counties</b>	<b>1<sup>st</sup> half delinquent</b>	<b>2<sup>nd</sup> half delinquent</b>
Douglas, Lancaster, and Sarpy	April 1, 2011	August 1, 2011
All other counties	May 1, 2011	September 1, 2011

For additional information regarding the 2010 property valuations and taxes levied, please see the Property Assessment Division's website at [www.revenue.ne.gov/PAD](http://www.revenue.ne.gov/PAD).
