## Property Tax Change 2011 to 2012

The Nebraska Department of Revenue, Property Assessment Division has received the 2012 Certificates of Taxes Levied Reports from every county assessor. The data indicates that total property taxes, statewide, increased 3.96% from 2011 to 2012.

	2011	2012	Increase
Total Property Taxes Statewide	\$3.108 billion	\$3.231 billion	\$123 million

The total increase in taxes of \$123 million is attributed, approximately, to the following:

Voter-Approved Bonds	\$ 9.5 million ( 8%)
Newly-Constructed Real Property	\$28.8 million (23%)
Tax Increases to Existing Property	\$84.7 million (69%)

The impact on individual taxpayers varies depending on the budget needs of their local governmental subdivisions and voter-approved bonds. For example, Arthur County taxes levied decreased by 2.38%, while Dixon County taxes levied increased by 16.19%. See attached tables.

Real property valuations are determined by county assessors. Property tax rates are set by local governments. Property taxes support schools, counties, cities, community colleges, natural resource districts, fire districts, and other local governmental subdivisions. Property taxes are payable to the county treasurer. The State of Nebraska does not receive any property tax revenue.

As a reminder, all property taxes are due December 31 with delinquent dates as follows:

Counties	1 <sup>st</sup> half delinquent	2 <sup>nd</sup> half delinquent
Douglas, Lancaster, and Sarpy	April 1, 2013	August 1, 2013
All other counties	May 1, 2013	September 1, 2013

For additional information regarding the 2012 property valuations and taxes levied, please see the Property Assessment Division's website at [www.revenue.ne.gov/PAD](http://www.revenue.ne.gov/PAD).
