DEPARTMENT OF REVENUE

July 2017

Pete Ricketts, Governor

Dear Nebraska Retailer,

The Nebraska Department of Revenue (Department) is responsible for monitoring compliance with Nebraska's cigarette and tobacco laws, including diligent enforcement as required by the Master Settlement Agreement pursuant to Neb. Rev. Stat. §§ 69-2702 to 69-2711, 77-2702 to 77-2720, and 77-4001 to 77-4024. The Department's diligent enforcement efforts include compliance checks of cigarette and tobacco retailers. This letter replaces the March 2017 letter and includes the standard as to what constitutes a complete and readable stamp and a penalty schedule.

As part of the compliance checks, the Department inspects for contraband cigarettes. Contraband cigarettes include any:

- Cigarettes on point of sale displays or in your inventory that are not properly stamped with a Nebraska cigarette tax stamp, cigarettes that do not have a Nebraska cigarette tax stamp, or a complete and readable tax stamp;
- Cigarettes and roll-your-own (RYO) tobacco that are not listed on the Nebraska Directory of Certified Tobacco Product Manufacturers and Brands (Directory). The Directory can be viewed on the Department's website at revenue.nebraska.gov by clicking on "Cigarettes/Other Tobacco Products," and "Nebraska Directory of Certified Tobacco Product Manufacturers and Brands;" and
- Single stick cigarettes.

A complete and readable stamp is a stamp that can be identified as a Nebraska cigarette tax stamp, including one or more letters in the word "Nebraska" and the legible 5-digit stamp number. The 5-digit stamp number is legible if it can be read or recognized even where there is some flaking of the stamp on or around the 5-digit number. A complete and readable stamp is required by Cigarette Tax Regulation 57-006.01.

Contraband cigarettes discovered during retail inspections will be confiscated under Neb. Rev. Stat. § 77-2620. Further, the retailer could be subject to civil and criminal penalties, and suspension or revocation of its local license to sell tobacco products.

**This guidance document is advisory in nature but is binding on the Nebraska Department of Revenue (Department) until amended. A guidance document does not include internal procedural documents that only affect the internal operations of the Department and does not impose additional requirements or penalties on regulated parties or include confidential information or rules and regulations made in accordance with the Administrative Procedure Act. If you believe that this guidance document imposes additional requirements or penalties on regulated parties, you may request a review of the document.*

To ensure compliance with the cigarette and tobacco products tax laws of Nebraska, every retailer that sells cigarettes and RYO tobacco should implement as a best practice, the following steps:

- Inspect all cigarettes to ensure that the cigarettes are properly stamped (see above) with a Nebraska cigarette tax stamp. Cigarettes that do not have a Nebraska cigarette tax stamp, do not have a complete and readable Nebraska cigarette tax stamp, or cigarettes with a cigarette tax stamp from another jurisdiction should be returned to the wholesale dealer immediately.
- Verify that all cigarettes and RYO tobacco are listed on the Directory. Cigarettes and RYO tobacco that are not listed should be returned to the wholesale dealer immediately.
- Do not place any cigarettes on point of sale displays that do not contain a complete and readable Nebraska cigarette tax stamp. Return any unstamped cigarettes and cigarettes that do not have a complete and readable stamp to the wholesale dealer immediately.
- Remove all cigarettes from point of sale displays that do not have a complete and readable Nebraska cigarette tax stamp and/or are not listed on the Directory and return them to the wholesale dealer immediately.

The Department encourages you to work with your cigarette wholesale dealers to avoid issues with your cigarettes and RYO tobacco.

In conjunction with this letter, the Department will be using the following penalty schedule for stamping violations and non-directory sales of cigarettes and RYO tobacco products. Offenders are subject to the penalties described in the penalty schedule within a three-year time frame. This penalty schedule will also be posted on the Department’s website.

The Department is in the process of developing an information guide that will contain more detailed information regarding your duties and responsibilities under the Nebraska cigarette tax laws. Once completed, the information guide will be posted on the Department's website.
