

Dyed Diesel Fuel Assessments

During fiscal year 2014/2015, the Nebraska State Patrol performed 8,494 inspections. These inspections resulted in 35 assessments, generating \$9,500 in penalties.

The amount of the penalty assessed by the State of Nebraska ranges from \$250 to \$2,500, depending upon the number of violations incurred over a five-year period. Each violation is also subject to an additional \$1,000 or more penalty that can be issued by the IRS.
