INSTRUCTIONS

WHO MUST FILE. Any nonprofit organization licensed to conduct a lottery by the sale of pickle cards on the premises of one or more licensed pickle card operators (Class II licensee) must complete and submit the Nebraska Schedule II in order to authorize a licensed pickle card operator to sell individual pickle cards on its behalf. Before any licensed organization can authorize a business to sell its pickle cards, that business must have obtained, from the Nebraska Department of Revenue, a pickle card operator's license.

The authorizations for pickle card operators are mailed to the licensed organization. The licensed organization is required to distribute the authorizations to the proper pickle card operators.

A pickle card operator may not sell individual pickle cards on behalf of any licensed organization until such organization has received an authorization from the department,

entitling that pickle card operator to sell individual pickle cards on its behalf. A pickle card operator's license alone is not enough to enable a business to sell individual pickle cards. A business must have physical possession of both a pickle card operator's license and an authorization issued by the department before it may sell pickle cards. An authorization is required for each licensed organization for which the pickle card operator intends to sell pickle cards.

WHEN AND WHERE TO FILE. All pickle card operator authorizations expire on September 30 of each year and must be renewed annually. All applications for authorization renewal should be submitted with the nonprofit organization's application for renewal of its lottery by pickle card license. New applications for authorization may be submitted at any time during the license year, October 1 through September 30.

Mail the original application to: **NEBRASKA DEPARTMENT OF REVENUE, P.O. BOX 94855, LINCOLN, NE 68509-4855**
PLEASE MAKE A COPY FOR YOUR RECORDS.

The application may also be utilized during the license year to report changes in the application information originally submitted or to cancel an authorization. The original copy of the application form is to be mailed to the Nebraska Department of Revenue, P.O. Box 94855, Lincoln, Nebraska 68509-4855.

SPECIAL INSTRUCTIONS

NEW. A pickle card operator may be added to the list of pickle card operators authorized to sell your organization's pickle cards by printing or typing the Nebraska identification number of the pickle card operator, and the name and address of the pickle card operator. Indicate the trade name of the pickle card operator, if applicable, and place a check mark in the "New" box.

CANCEL. To cancel an authorization for a pickle card operator, complete the Nebraska identification number of the pickle card operator, the name and address of the pickle card operator, and place a check mark in the "Cancel" box.

The original authorization issued by the Nebraska Department of Revenue must be returned to the department with the cancellation request.

CHANGES. The address or name of a pickle card operator may be changed by indicating the Nebraska identification number, and the current name and address of the pickle card operator. A pickle card operator's license and the corresponding licensed organization's authorization are not transferable. A change in ownership of a business licensed as a pickle card operator requires licensing of the new ownership as a pickle card operator and a new pickle card operator authorization to be obtained by the licensed organization for that location.

AUTHORIZED SIGNATURES. The Nebraska Schedule II must be signed by an **owner, partner or officer of the licensed pickle card operator**, or a person authorized by an attached power of attorney. A utilization of funds member of the licensed organization must also sign in the space provided.
