Instructions

The project is limited to the entities, locations, and activities listed in the application, unless the taxpayer timely reports a change and the Department agrees that the change meets the statutory requirements.

Limitations:

1. Any existing entity conducting a qualified business activity in Nebraska at the time of the agreement, but not listed in the application, must be excluded for the life of the project.
2. Any existing Nebraska location already utilized by the applicant in a qualified business activity at the time of the agreement, but not listed in the application, must be excluded for the life of the project. The application required that multiple addresses within the same city or municipality were to be listed separately.

Changes to the project must be reported on Schedule III, which may be filed with the return that includes the date the change occurred, or may be sent separately to the Department before filing the return.

Complete the first question in each section. If the answer to the first question in the section is YES, complete the remaining questions in that section. If the answer is NO, skip the remaining questions in that section and go to the next section.

If you have more than one change to report in a particular section, provide additional schedules or statements providing the information for each change.

A single transaction may require a response in more than one section.

Signature. Schedule III must be signed by an authorized person, such as a corporate officer, shareholder, partner, member, or trustee. If another person signs the statement, there must be a [power of attorney](#) form attached to this statement. Include the daytime phone number and email address of the person the Department should contact about the reported change. By including your email address, you are agreeing that the Department may use it to transmit confidential information.

Email Address. If you allow the Department to contact you by email, you accept any risk of loss of confidentiality associated with this method of communication.
