Property taxes levied in Nebraska totaled \$2,139,540,101 in 2004. Of that total, 63.6 percent was levied by school districts. The operations of counties, cities and villages, community colleges, and a variety of other governmental entities are also financed primarily by property taxes. Total property taxes levied included \$50,425,408 in homestead exemptions.

The 1997 Legislature passed LB 271, which changed the method of taxing motor vehicles. All responsibilities with regard to motor vehicle taxation was transferred to the county treasurer. So, beginning with tax year 1997, total property taxes levied excludes property tax on motor vehicles.
