

2007 – 2008

**Report of State Funds
Distributed to Local
Government Subdivisions**

This report was prepared by the Nebraska Department of Revenue pursuant to Section 77-1704.01, R.R.S. 2003, for distribution to Nebraska taxpayers.

Section One contains a schedule for each of the 93 counties which lists the political subdivisions receiving state aid. Each schedule includes the net amount of property taxes levied in 2007 for collection in 2008, and the amount of general fund aid from various state sources for fiscal year 2007-08. Net property taxes are total property taxes levied less homestead exemption/reimbursement. Additional 2007-08 allocations to political subdivisions of each county for which detailed information was not available are listed separately.

Section Two includes a tabulation of specific aid programs funded by the Legislature from state revenue sources and a summary of the state aid paid to the political subdivisions within each county. Also included is a table of property taxes levied from 1978 to 2007.

This report is one of the Department's publications available on our Web site at www.revenue.ne.gov. If, after reviewing this report, you have any questions concerning its content or any related area, please feel free to contact the Nebraska Department of Revenue at (402) 471-5699.
