

SECTION G

Cigarette Tax

BASIC PROVISIONS AND TAX BASE

The Nebraska cigarette tax is a special privilege tax paid by every person engaged in distributing or selling cigarettes at wholesale in this state. Each wholesale dealer who receives an annual Nebraska Wholesale Cigarette Dealer's License must pay an application fee of \$500, which is placed in the State General Fund. On packages containing twenty or fewer cigarettes, a tax of 64 cents per package is paid. On packages containing more than twenty cigarettes, a tax of 64 cents for the first twenty cigarettes plus a tax of 1/20 of 64 cents on each cigarette in excess of twenty cigarettes is paid, in addition to all other taxes. A tax stamp is placed on each package of cigarettes as proof of cigarette tax paid.

The Nebraska cigarette tax distribution can be found on the Department of Revenue's Web site at www.revenue.ne.gov under Research Reports. The Nebraska Tax Rate Chronologies are updated quarterly.
