

Section G — Cigarette Tax

Basic Provisions and Tax Base

The Nebraska cigarette tax is a special privilege tax paid by every person engaged in distributing or selling cigarettes at wholesale in Nebraska. Each wholesale dealer who obtains an annual Nebraska Cigarette Wholesale Dealer's Stamping License must pay an application fee of \$500, which is placed in the State General Fund. On packages containing 20 or fewer cigarettes, a tax of 64 cents per package is paid. On packages containing more than 20 cigarettes, a tax of 64 cents for the first 20 cigarettes plus a tax of 1/20 of 64 cents on each cigarette in excess of 20 cigarettes is paid, in addition to all other taxes. A cigarette tax stamp is placed on each package of cigarettes as proof of cigarette tax paid.

The distribution of Nebraska cigarette tax revenues can be found on the Department of Revenue's website revenue.nebraska.gov under Research Reports. The Nebraska Tax Rate Chronologies are updated quarterly.
