2009 NEBRASKA INDIVIDUAL ESTIMATED INCOME TAX PAYMENT VOUCHERS Form 1040N-ES

ELECTRONIC PAYMENT OPTIONS NOW AVAILABLE. See instructions inside.

This booklet incorporates the higher \$500 threshold amount before estimated payments are required as provided by LB 915 (2008 Legislature). If your Nebraska individual income tax after allowance of personal exemption credits can reasonably be expected to exceed withholding and other credits by \$500 or more, then estimated payments may be required. Also, various indexed values for the personal exemption credit, standard deduction, and other elements of the Nebraska tax calculation are included in this year's changes. You should calculate your estimated tax for 2009 in light of these changes.

The Department continues to emphasize that taxpayers must ensure that adequate and timely estimated payments are made in order to avoid underpayment of estimated tax penalties.

INSTRUCTIONS

WHO MUST MAKE ESTIMATED PAYMENTS. A Nebraska Individual Estimated Income Tax Payment Voucher, Form 1040N-ES, must be filed by every resident and nonresident of Nebraska if the individual's Nebraska income tax after allowance of personal exemption credits can reasonably be expected to exceed withholding and other credits by \$500 or more. **If you are an employee with amounts being withheld from your earnings, you may ask your employer to withhold an additional amount for state taxes rather than make these four estimated income tax payments.**

WHEN AND WHERE TO FILE. The first payment voucher must be filed on or before April 15, 2009, and later dates as set out below in the instruction labeled "Changes in Estimated Tax." Mail the payment voucher with remittance to the Nebraska Department of Revenue, P.O. Box 98911, Lincoln, Nebraska 68509-8911. Mailing labels are enclosed for your convenience.

PAYMENT OF ESTIMATED TAX. The estimated tax may be paid in full with the first payment voucher or in equal installments on or before April 15, 2009; June 15, 2009; September 15, 2009; and January 15, 2010. Make checks or money orders payable to the Nebraska Department of Revenue. **Eliminate using these vouchers by paying electronically by EFT or credit card. See more information on these options later in this booklet.**

FARMERS AND RANCHERS. If at least two-thirds of your gross income for 2008 or 2009 is derived from farming, ranching, or fishing, you may pay all of your estimated tax on or before January 15, 2010. You must then pay the entire amount of the estimated tax. If you file your Nebraska Individual Income Tax Return, Form 1040N, on or before March 2, 2010, and pay the total tax due at that time, you do not need to file an estimated tax payment for 2009.

OVERPAYMENT CREDIT FROM 2008. If you had an overpayment on your 2008 Nebraska Individual Income Tax Return and elected to apply it to your 2009 estimated income tax, the amount of that overpayment may be applied in full or in part to any installment.

JOINT PAYMENTS. Payments of estimated income tax may be made on a married, filing jointly basis for Nebraska tax purposes. Married, filing jointly payments may not be filed if the spouses are separated under a decree of either divorce or separate maintenance or if there are different taxable years. If joint payments are made but a joint return is not filed for the taxable year, the estimated tax for the year may be divided between husband and wife. A copy of this signed agreement on division of the estimated payments should be attached to each return.

If estimated payments have been made under a spouse's social security number and this spouse dies during the year for which the estimated payments are being made, please indicate "deceased" and give the date of death next to the social security number. Verify that the surviving spouse's name and social security number are correct on Form 1040N-ES and indicate what social security number is to be used in filing a Form 1040N-ES for the next year.

CHANGES IN ESTIMATED TAX. If your income increases during the year, you may be required to file estimated tax payments at a later date. In that case, the time for filing is as follows: June 15, if the change occurs after March 31 and before June 1; September 15, if the change occurs after May 31 and before September 1; January 15, 2010, if the change occurs after August 31. The remaining installments can be made as outlined in the line 19 instructions on the Estimated Income Tax Worksheet.

You may use the Amended Computation Schedule to calculate your amended estimated tax if you find that your estimated tax is

substantially changed. Show the amended estimated tax on line 1 of the next payment voucher filed.

FISCAL YEAR TAXPAYERS. Fiscal year taxpayers must report by the 15th day of the fourth, sixth, and ninth months of the fiscal year and the first month of the following fiscal year.

PENALTY FOR NOT PAYING ENOUGH ESTIMATED INCOME TAX. A penalty at the statutory rate is imposed for underpayment of estimated tax installments. The penalty is not due if you qualify for any of the exceptions listed on the Individual Underpayment of Estimated Tax, Form 2210N.

Each individual with an underpayment of estimated tax must file a Form 2210N with their Nebraska Individual Income Tax Return, Form 1040N. The estimated tax has been underpaid if the payments (including withholding) are not equal to at least:

1. 90 percent (66 2/3 percent for those engaged in farming, ranching, and fishing) of the tax liability for the year after reduction by the credits other than withholding or estimated payments;
2. 100 percent of the tax shown on a Nebraska return for the full 12-month preceding tax year if federal AGI was \$150,000 or less; or
3. 110 percent (the applicable federal percentage) of the preceding year's tax if 2008 AGI was above \$150,000. Complete the Nebraska Individual Estimated Income Tax Worksheet. You may also owe a penalty if estimated payments are not filed in a timely manner.

Also, the penalty does not apply if you had no tax liability for the preceding tax year of 12 months, you were a U.S. citizen or resident during that year, and your Nebraska return for that year reported no tax liability.

HOW TO USE THE PAYMENT VOUCHERS:

NOTE: The primary social security number used when making estimated payments should also be used when filing Form 1040N.

1. Complete the Estimated Income Tax Worksheet to compute your 2009 estimated tax. If line 18 is less than \$500, estimated tax payments are not required, but may still be made. If 2009 federal AGI is expected to be more than \$166,800 (\$83,400 if married, filing separately), then complete Worksheet A included in this booklet.
2. Enter the amount shown on line 18 of the Estimated Income Tax Worksheet on line 1 of the payment voucher.
3. Enter the amount shown on line 19 of the Estimated Income Tax Worksheet on line 2 of the payment voucher.
4. Enter on line 3 of the payment voucher the amount of overpayment from 2008 to be credited to the installment.
5. Enter on line 4 of the payment voucher the amount of payment (line 2 minus line 3). File the payment voucher only if you are making a payment of estimated tax.
6. Attach a check or money order to the payment voucher and mail it by the due date to the Nebraska Department of Revenue, P.O. Box 98911, Lincoln, Nebraska 68509-8911. Make appropriate entries in the Record of Estimated Tax Payments. **Be sure to enter your social security number (and your spouse's number, if applicable) on the payment voucher(s) where indicated.**
7. For each later installment, complete lines 2, 3, and 4 of the payment voucher, attach remittance and mail. No installment is required when the amount of unused 2008 overpayment is equal to or greater than the amount of installment due.
