**INSTRUCTIONS**

**WHO MAY FILE.** Corporations that overpaid estimated tax for the tax year must use this form to apply for an adjustment of the overpayment when the overpayment is:

1. At least ten percent of the expected tax liability calculated on line 9 of this form; and
2. At least \$500.

The overpayment is the excess of the estimated tax the corporation paid during the tax year over the estimated final 2008 income tax liability computed at the time this application is filed.

If members of a unitary group paid their estimated income tax on a combined basis, the common parent corporation must file the Form 4466N. If members of the group paid estimated tax separately, each member who claims an overpayment must file Form 4466N separately.

**WHEN TO FILE.** Form 4466N must be filed by the 15th day of the third month after the end of the tax year and before the corporation files its corporate tax return. A Form 4466N filed

after this date will not be considered. An extension of time to file the return will not extend the time for filing Form 4466N.

**WHERE TO FILE.** Corporation Application for Adjustment of Overpayment of Estimated Tax, Form 4466N, is to be mailed to the Nebraska Department of Revenue, P.O. Box 94818, Lincoln, Nebraska 68509-4818.

**OVERPAYMENT CREDITED AND REFUNDED.** The Nebraska Department of Revenue will act on this application within 45 days from the date it is filed, and may credit the overpayment against any existing tax liability of the corporation and refund any balance.

**ELECTRONIC PAYMENT OF YOUR OVERPAYMENT.** To expedite the refund of your overpayment and save processing time, the Department recommends having your overpayment direct deposited to your bank account. To have your refund deposited directly to your checking or savings account, it is necessary to enter the routing and account number found on the bottom of the checks used with the account. The routing number is listed first and must be nine (9) digits. The account

number is listed to the right of the routing number and can be up to seventeen (17) digits. Enter these numbers in the boxes found on lines 12a and 12c. Also complete line 12b, Type of Account. If you fail to complete lines 12a through 12c, the payment of your refund will be delayed.

**DISALLOWANCE OF APPLICATION.** The Nebraska Department of Revenue may disallow, without further action or appeal, any application containing material omissions or errors that cannot be corrected within the 45-day review period. **Form 4466N does not constitute a claim for credit or refund.**

**EXCESSIVE ADJUSTMENT.** If any adjustment made by the Nebraska Department of Revenue is later found to be excessive, interest at the statutory rate will be due on the amount of the

excessive adjustment, calculated from the date the adjustment was made until the original due date of the corporation's return.

The excessive amount is the lesser of:

1. The amount of the adjustment, or
2. The excess of:
  - a. The corporation's income tax liability as shown on its return over
  - b. The estimated tax paid less the adjustment allowed.
