Nebraska

Individual Estimated Income Tax Payment Vouchers

Included in this Booklet:

Form 1040N-ES

**ELECTRONIC PAYMENT OPTIONS ARE
AVAILABLE.**

See instructions inside.

If your Nebraska individual income tax, after allowance of personal exemption credits, is expected to exceed withholding and other credits by \$500 or more, then estimated income tax payments may be required.

Various indexed values for the personal exemption credit, standard deduction, and other elements of the Nebraska tax calculation are included in this year's changes. You should calculate your estimated tax for 2011 in light of these changes.

Taxpayers must ensure that adequate and timely estimated payments are made in order to avoid underpayment of estimated income tax penalties.

INSTRUCTIONS

WHO MUST MAKE ESTIMATED PAYMENTS. Every resident and nonresident must make estimated income tax payments if their Nebraska income tax, after personal exemption credits, is expected to exceed withholding and other credits by \$500 or more. **If you are an employee with amounts being withheld from your earnings, you may ask your employer to withhold an additional amount for state taxes, rather than make these four estimated income tax payments.**

WHEN AND WHERE TO FILE. The first payment voucher must be filed on or before April 18, 2011, and on later dates as set out below in "Changes in Estimated Tax." April 18, 2011 is the Internal Revenue Service's due date because of Emancipation Day in Washington D.C. Mail the payment voucher with remittance to the:

Nebraska Department of Revenue
PO Box 98911
Lincoln, Nebraska 68509-8911

PAYMENT OF ESTIMATED TAX. The estimated tax may be paid in full with the first payment voucher, or in equal installments on or before April 18, 2011; June 15, 2011; September 15, 2011; and January 15, 2012 (January 16th is the actual due date because January 15th falls on a Sunday). Make checks or money orders payable to the Nebraska Department of Revenue. **Eliminate using these vouchers by paying electronically through EFT or credit card.**

ELECTRONIC PAYMENT OPTIONS

Please pay electronically.

You will not have to remember to write a check or mail estimated income tax payment vouchers for any payment scheduled electronically.

ELECTRONIC FUNDS TRANSFER (EFT): To pay by EFT (sometimes called an electronic check), visit www.revenue.ne.gov and click on "Make a Payment" under For Individual in the Electronic Services column. This payment option is free to use, and you will receive an e-mail confirmation for each payment.

CREDIT CARD: Credit card payments are originated through Official Payments Corporation (OPC). **Eligible credit cards include VISA, MasterCard, Discover, and American Express. A convenience fee of 2.49% of the tax payment (\$1 minimum convenience fee) is charged to the card you use and is paid to OPC.** You will be told about this fee during the transaction. Secure credit card payments can be initiated at www.officialpayments.com, or at **(800) 2PAY-TAX**. If you are making your credit card payment by telephone, you will need to provide the Nebraska Jurisdiction Code, which is 3700. At the end of your transaction, you will be given a confirmation number. Keep this for your records.

FARMERS AND RANCHERS. If at least two-thirds of your gross income for 2010 or 2011 is derived from farming, ranching, or fishing, you may pay all of your estimated tax on or before January 15, 2012. You must then pay the entire amount of the estimated tax. If you file your 2011 Nebraska Individual Income Tax Return, Form 1040N, on or before March 1, 2012, and pay the total tax due at that time, you do not need to file an estimated tax payment for 2011.

OVERPAYMENT CREDIT FROM 2010. If you had an overpayment on your 2010 Form 1040N, and elected to apply it to your 2011 estimated income tax, the amount of that overpayment may be applied in full, or in part, to any installment.

JOINT PAYMENTS. Payments of estimated income tax may be made on a married, filing jointly basis for Nebraska tax purposes. Married, filing jointly payments may not be filed if the spouses are separated under a decree of either divorce or separate maintenance, or if there are different taxable years involved. If joint payments are made, but a joint return is not filed for the taxable year, the estimated tax for the year may be divided between spouses. A copy of a signed agreement to divide the estimated payments should be attached to each, Form 1040N.

If estimated payments have been made under a spouse's Social Security number (SSN), and this spouse dies during the year the estimated payments are being made, please indicate "deceased" on any e-filed return when prompted. On paper returns, write "DECEASED" at the top of the Form 1040N and give the date of death next to the SSN. Verify that the surviving spouse's name and SSN are correct on Form 1040N-ES, and indicate what SSN will be used in filing a Form 1040N-ES for the next year.

CHANGES IN ESTIMATED TAX. If your income increases during the year, you may be required to begin filing, or increase, estimated tax payments at the next due date.

You may use the Amended Computation Schedule below to calculate your amended estimated tax if your estimated tax substantially changes, or if your income substantially increases. Show the amended estimated tax on line 1 of the next payment voucher filed.

FISCAL YEAR TAXPAYERS. Fiscal year taxpayers must report by the 15th day of the fourth, sixth, and ninth months of the fiscal year, and the first month of the following fiscal year.

PENALTY FOR NOT PAYING ENOUGH ESTIMATED INCOME TAX. A penalty is imposed for underpayment of estimated tax installments. The penalty is not due if you qualify for any of the exceptions listed on the [Individual Underpayment of Estimated Tax, Form 2210N](#).

Each individual who has underpaid estimated tax must file a Form 2210N with their Nebraska Individual Income Tax Return, Form 1040N. The estimated tax is underpaid if the payments (including withholding) are not equal to at least:

1. 90% (66 2/3% for those engaged in farming, ranching, and fishing) of the tax liability for the year, after reduction by credits other than withholding or estimated payments;
2. 100% of the tax shown on the Nebraska return for the full 12-month preceding tax year, if federal AGI was \$150,000 or less; or
3. 110% (the applicable federal percentage) of the preceding year's tax reported on a Nebraska return, if 2010 AGI was above \$150,000. Complete the Nebraska Individual Estimated Income Tax Worksheet below. You may also owe a penalty if estimated payments are not filed in a timely manner.

The penalty does not apply if:

- You had zero tax liability for the full 12-month preceding tax year;
- You were a U.S. citizen or resident during that year; and
- Your Nebraska return for that year reported zero tax liability.

HOW TO USE THE PAYMENT VOUCHERS

NOTE: The primary SSN used when making estimated payments should be listed first in the name and SSN area on the Form 1040N.

Complete the Estimated Income Tax Worksheet (Worksheet) to compute your 2011 estimated tax. If line 18 is less than \$500, estimated tax payments are not required, but may still be made. If 2011 federal AGI is expected to be more than \$169,550 (\$84,775 if married, filing separately), then complete Worksheet A included in this booklet.

1. Line 1. Enter the amount shown on line 18 of the Worksheet.
2. Line 2. Enter the amount shown on line 19 of the Worksheet.
3. Line 3. Enter the amount of overpayment from 2010 to be credited to the installment.
4. Line 4. Enter the amount shown (line 2 minus line 3). File the payment voucher only if you are making a payment of estimated tax.
5. Pay by EFT or attach a check or money order to the payment voucher and mail it by the due date to the:

Nebraska Department of Revenue
PO Box 98911
Lincoln, Nebraska 68509-8911

Make appropriate entries in the Record of Estimated Tax Payments.

You must enter your SSN (and your spouse's SSN, if applicable) on the payment vouchers where indicated.

6. For each later installment, complete lines 2, 3, and 4 of the payment voucher, attach remittance, and mail. No installment is required when the amount of unused 2010 overpayment is equal to or greater than the amount of installment due.

SPECIAL INSTRUCTIONS

If your estimated Nebraska taxable income is less than \$54,000, perform the following calculation:

Subtract \$169,550 (\$84,775 if married, filing separately) from your federal AGI; and

Multiply this difference by 10% (.10).

If your line 10 estimated taxable income is less than the 10% difference calculated, enter 6.84% (.0684) of line 10 income on line 3, Nebraska Estimated Tax Worksheet; otherwise, complete the additional tax calculation above.
