

The Department of Revenue is no longer using the following forms:

Form 24 – Nebraska Registration Application for Nonresident Contractor;

Form 24A – Nebraska Contract Permit Application for Nonresident Contractor;

Form 24B – Nebraska Tax Bond for Nonresident Contractor’s and Subcontractor’s Construction Contracts; and

Form 24C – Nebraska Bond or Alternative Security Clearance Request for Nonresident Contractors and Nonresident Subcontractors. *

*Existing Form 24C will continue to be used until any currently registered projects are completed and the Clearance request is submitted.

Instead, nonresident contractors must use the Department of Labor’s [Contractor/Subcontractor Registration Application](#).
